

UNIFORM POLICY:

HCSA requires that all teams &/or team members registered as active players of the organization wear the current uniform assigned and issued to them. There will be no alterations whether they be temporary or permanent to the overall look of the uniform. At no time will any uniform vary in appearance one from the other while affiliated with Henry County Soccer Association. This policy will be effective immediately and will apply to home and away games as well as tournament games.

Our intent is that each Coach and Team Manager exhibit a sense of pride and unity, as well as team continuity, while affiliated with HCSA.

We appreciate your support and cooperation on this matter.
