How do I benefit from this scrip program?

Families participating in the Pittsgrove Soccer scrip program will receive a percentage of their rebates back in check form twice a year. The family will receive 77% of the funds they earn, 20% will be kept by the soccer club for a club fundraiser, and 3% will be kept by the club for fundraising expenses.

How much can I earn from participating in the scrip fundraiser?

Below is a chart that shows possible scrip rebates for basic purchases that a family of four may make on a monthly basis. If you include higher priced items like electronics, appliances, or home improvement projects your scrip rebates could accumulate substantially. Many participating families also use scrip gift cards for purchases around holidays, birthdays, or back to school time. As you can see scrip rebates can easily add up to over \$1,000 per family on a yearly basis.

Retailer Category	Monthly Amount	Average Rebate Percentage	Rebate Amount

Who is Great Lakes Scrip Center?

This is the supplier of gift cards the soccer club will be using. They gather gift cards from retailers and then distribute to non-profit organizations.

Why is the soccer club doing this?

With increasing costs for soccer parents the club wanted to offer a fund raiser that directly benefits families and the work they individually contribute. The primary purpose of the fundraiser is to offer soccer families the opportunity to easily raise funds for offsetting soccer costs. The soccer club will also receive a portion of the proceeds to make facility and equipment improvements.

How much of a rebate will I get for each gift card?

Different retailers offer different rebate amounts. Rebates from monthly staple-type items like groceries and gas range from 1% to 5%. Rebates from restaurants and clothing retailers could range from 8% to 16%. There are also home improvement (Lowe's and Home Depot), electronic (Best Buy), and online (Amazon and Groupon) retailers that participate. What kinds of gift cards can I purchase?

There are three types of gift cards which can be purchased through our scrip program.

A) Physical plastic gift card. You place an online order and once a week the soccer club receives the plastic cards. Note these are actual gift cards from the retailer. The club will then be distributing the cards to the participants on a weekly basis.

B) Electronic gift cards which our vendor calls ScripNow!. Only a subset of retailers offers this option but the list is always growing. With this option you can purchase the ScripNow! and within minutes the gift card will be available for you to print and use.

C) Reloads are when you already received a physical plastic gift card and you are able to add more funds to it. Only a subset of retailers offers this option. The additional funds could take 24 to 48 hours for them to appear on the gift card.

How do I pay for the scrip gift cards?

The soccer club encourages families to make payment by ACH/electronically directly through your personal checking/savings account by using the website's PrestoPay feature. This will streamline the online ordering process and greatly decrease turnaround time. Note: In order to purchase and receive electronic gift cards within seconds a Presto Pay account (ACH setup) is needed. Due to bank fees our scrip vendor, Great Lakes Scrip Center, does not accept credit cards. The club will accept paper checks from families if needed. Please contact Matt Berger at berg1322@aol.com for further information.

Is this year round or just during the spring and fall soccer season?

The scrip program will be available throughout the year.
