

ALLIANCE VOLLEYBALL CLUB MISSION STATEMENT

Alliance believes that every child should be offered the opportunity to develop skills that will enable them to excel and compete successfully at the interscholastic, regional and/or national level of youth volleyball.

We are a community-based non-profit organization committed to training and developing student athletes through competitive participation in the sport of volleyball. We strive to provide a solid foundation of fundamental and technical skills to help participants develop, not only as athletes, but also as individuals. Teaching positive lifelong character traits including sportsmanship, leadership, and cooperation are important to the success of our teams. We are committed to providing the best possible environment for our volleyball players to reach their maximum playing potential through excellence in coaching and community support.

Our players will be challenged to excel not only for their own personal growth but also for the betterment of their team, the organization, their communities, and the development of area club coaches.
