The Impact of YOUR Sponsorship

Braidwood Baseball Softball Association serves the youth of Southern Will County, Western Kankakee County, and Southeastern Grundy County. During the regular, fall, and post-seasons our teams travel and play other teams from communities across Northeastern Illinois. This includes Suburban Chicagoland, North-Central Illinois, and Central Illinois.

Your sponsorship with Braidwood Baseball Softball Association gives your business exposure to clients and new customers in a variety of communities from Ottawa to Manteno; Melrose Park to Pontiac, and all points in between.

Over the summer months Braidwood Baseball Softball Association hosts teams from the Chicagoland Area for the annual Summerfest Tournament. During this time, your business is given more exposure to teams that come to Braidwood to take part in this multi-day tournament.

Why Sponsor?

Your sponsorship shows your organizations commitment to the youth of the Greater Braidwood Area. It shows your organizations want to help Braidwood Baseball Softball Association develop the next generation of men and women, who will become the next leaders of our communities.
