

TTA Affiliates,

Occasionally any board, in this case, The TTA Board of Directors, passed a rule that had unintended consequences. We passed a rule eliminating the age chart that has been in effect for the last five years and voted to make the August 31st date effective this year for all age groups of boys participating in TTAB. After reviewing this rule and understanding the overall impact of the rule, the Board voted to rescind that rule. As a result of the vote, the age chart TTA has been abiding by will remain in effect moving forward.

Rule books have already been printed and will show the August 31st date effective for all participating in all age divisions for boys. Please note that rule has been rescinded and the age chart that has been used previously does remain in effect.

I personally want to commend our board for realizing the rule we passed was not in the best interest for our boys divisions and had the courage to correct it.

We do appreciate and value every affiliate and deeply apologize for any confusion.

Thank you to all who participate in TTA as you are who we do our best to serve. We all look forward to the upcoming season of baseball and softball.

Respectfully,

John Warren
President TTA

Texas Teenage Scholarship Program

TTA invites all active affiliates to nominate candidates for our annual scholarship program. Texas Teenage players from the TTAB (Baseball) and the TTAS (Softball) programs will be selected each year. Future college scholarship awards will be announced at each State Affiliates' Meeting in August. Young people who have demonstrated excellent leadership, playing attitude, citizenship on and off the field of play, and personal development through the TTA Program will be given the highest ratings in the selection process. For details on the Scholarship Program, refer to our Web Page at www.texasteenage.org, or get information from your local officials or contact person or call our State Office.

STATEMENT OF RESPONSIBILITY

Texas Teenage Baseball and Softball reserves the right to refuse any application or suspend or revoke any current rights granted when determined by the State Board of Directors that it is not in the best interest of the State Association.

It is the intent of TTAB-TTAS to provide participants with appropriate leadership and role models. As such, it is recommended that the local affiliates and league boards use their best judgment in allowing individuals to participate in the program. Specific areas of concern include, but may not be limited to, the individual's criminal history, the use of profane language, alcohol, illegal drugs or tobacco in the presence of the children. Any affiliate not willing to accept the above responsibility or review should not participate in TTAB-TTAS and should not submit an Application of Affiliation.

Any manager, coach, league official, or tournament director while participating in TTAB-TTAS sponsored programs:

1. drinks or allows the drinking of alcoholic beverages;
2. uses or allows the use of illegal drugs, controlled substances, or is under the influence thereof;
3. uses abusive or profane language;
4. or makes any attempt to commit or does bodily harm to any player, manager, coach, director, representative or umpire of TTAB-TTAS, shall be suspended immediately from further participation in any TTAB-TTAS sponsored activity for any number of years up to a lifetime ban to be determined by the State Board of Directors

Any fan or parent of a player participating in TTAB-TTAS guilty of any of the above infractions will be reported to their local league president for disciplinary action. Any affiliate failing to take action will be subject to suspension from further participation in TTAB-TTAS.

The State Board of Directors will review all reported infractions. Its ruling shall be considered final and shall not be subject to appeal and/or legal action. Any affiliate not willing to accept the above as a part of its local responsibility to participate in the TTAB-TTAS organization should not submit an Application for Affiliation.

The State Board reserves the right to suspend any manager, coach, league official or tournament director immediately from any TTAB-TTAS activity for any length of time. This disciplinary action shall be at the discretion of the Board and its Directors. Their decision shall be final and not subject to any appeal or legal action. TTA strongly urges all affiliates to know their volunteers and their backgrounds well. Ultimately, the safety and well being of the children is the responsibility of the local Affiliates.

DUTIES OF STATE DIRECTORS

State Directors shall enforce the rules and regulations, as well as those policies issued by Texas Teenage Baseball-Softball. Such enforcement shall be by virtue of, and through the authority given each Director by the State President. It shall be the State Director's duty to preside over all Association matters within the area for which he/she is duly appointed and elected, and said Director's decisions shall take precedence over any other person, affiliate, manager, coach, league official, tournament director (whether it be in a district or state tournament), or member of the Association, so long as said decisions are related to the rules, regulations and/or policies of the Association.

State Directors shall be the highest ruling authority in their respective areas, subject only to the President and/or Vice-President of the Association. At any time a State Director sees or knows of a violation of the rules, regulations, or policies of the Association, he shall immediately take the necessary steps to correct same, with all the power and authority given him/her herein.

All actions, decisions, and rulings of State Directors shall be in the best interest of TTAB-TTAS.

State Directors are expected to be impartial toward any affiliate or team and, therefore, may not be directly involved with any team, including coaching or managing. State Directors may not participate in any TTA game or act as a tournament director.

ASSOCIATE DIRECTORS

State Directors may appoint Associate Directors who can oversee a specific region of a Director's district. The Associate Director can be of general service to local affiliates, but shall take no official action regarding TTA rules and policies.

OFFICIAL REGULATIONS

DEFINITIONS:

For clarity, TTA defines the following terms:

- Association: A term to mean the entire TTA organization.
- Affiliate: Meaning a town or group of towns that make up the local affiliation
- Divisions: Means the age categories: such as Girls 10U, Boys 14U, etc.
- Leagues: Refers to sub-parts of Divisions: such as Girls American, National, East, West, etc.
- Manager: Head Coach

A. ORGANIZATION

1. TTA recommends all Affiliates to provide a background check on all coaches/volunteers that will be on the field.
2. All affiliate rules and bylaws should be in writing and issued to all managers and coaches.
3. The local affiliates shall be the smallest unit of the organization and shall be affiliated with the TTA State Office each year.
4. The affiliate shall be governed by a Board of Directors, Committee, or Association with elected officers serving as voluntary operating personnel, including a President who is the highest ruling authority of the affiliate.
5. The Board of Directors, Committee, or Association may organize and operate one or more leagues in any and all divisions of TTAB and TTAS. Each league, so organized, shall be considered a separate and independent organization within itself.
6. A League must consist of at least four (4) teams and no more than seven (7) teams, except by special permission of the State Director serving the affiliate requesting the waiver. Each league shall participate in assigned TTA District and State Tournaments. For exception, refer to Tournament Rule 200-6c.
7. Any affiliate registering a fictitious team for the purpose of forming a league can be subject to a penalty of up to a one-year suspension from TTA participation.
8. An affiliate may organize a town, city, community or county. In locations where it is warranted, a larger territory may be organized, subject to approval of the local State Director.
9. Affiliate League sign up dates must be approved by Area State Director.

10. TTA will require that each affiliate establish boundary lines in harmony with adjoining affiliates. Affiliates that have more than one participant, each participant must have an established boundary. These boundary lines will be required to be in writing and distributed to all affected areas in your district and a copy sent to your Area State Director. TTA feels the defined boundary line should be the local affiliate's responsibility and agreed upon prior to drafting or forming teams. Give top priority to avoid any attempt to "stack teams". The Independent School District boundary line concept is a common choice, but may not apply to every affiliate.
11. Any boundary line controversy that cannot be resolved locally should be submitted to the State Director and provide complete details.
12. All boundary line protests must be settled before TTA District or State Tournaments. No TTA tournament will allow protests over boundary line issues.
13. A player must play in the designated boundary line area of which he/she lives or attends school as long as a team or league is offered in the player's age division. If a team or league is not offered, the player must play in the next closest TTA town within their affiliate that offers the age division. This applies to any league of which the player could play according to his/her age division, **includes High School Eligible**. If a player is required to play in the nearest TTA town and has met all the requirements necessary to play in his local boundary, he or she may return to the original affiliate.
14. If a player registers with an affiliate in the boundary line where he/she lives or attends school before the deadline for registration ends and that affiliate is full and does not have a place on any team in his/her age division within the affiliate, then that player may play in the town or adjacent boundary area that is nearest to where he/she lives. If the player registers after the deadline in the boundary area of residency, the player is ineligible to play elsewhere. At the discretion of local leagues, players may be released to other teams or towns once a roster reaches thirteen (13) players. Roster limits will remain at 15 players. A legal roster must consist of a minimum of nine players.

15. In the event that a new affiliation to TTA contains players who are a part of a team in a nearby affiliate, such players are allowed to remain on the current team through the duration of the TTA division the player is so registered.
16. A player choosing to play in a boundary line area where he/she attends school or where he/she lives, must remain in the chosen area as long as they play in the current TTA age division.

B. LEAGUE SCHEDULE

1. Playing a minimum of ten (10) official league games per team shall constitute a completed league schedule. Exception to rule: Any TTA team that is required to travel in excess of 75 miles one-way to participate with another team in their league will be required to play only an eight (8) game schedule.
2. The beginning of league play is at the discretion of local affiliates.
3. All TTAB (Baseball) league play will terminate as follows:
The 2022 Season on June 17.
The 2023 Season on June 16.
All TTAS (Softball) league play will terminate as follows:
The 2022 Season on June 10.
The 2023 Season on June 9.
4. The official league schedule shall be prepared no later than one (1) week before the start of the regular season play.
5. The schedule shall be arranged so that no team will be required to play on successive days except for a makeup or rainout game.
6. A Calendar Week is defined as Sunday through Saturday.
7. Any league that has not finished its season by the official end of the TTA season and determined its champions shall not be eligible to participate in tournament play.

C. POSTPONED, RAIN-OUT, AND SUSPENDED GAMES

1. No regular scheduled games may be postponed without the approval of the Local Affiliate President.
2. It shall be the responsibility of the Local Affiliate President to see that all postponed games, rain-out or makeup games, and suspended games are re-scheduled and played at the earliest possible date. All such games must be played during the regular season of play and before the end of the Official League Season.
 - (a) A postponed and/or makeup game is defined as one that is re-scheduled to be played in its entirety at a later date.
 - (b) A rainout game (if less than the required complete innings have been played) is defined as a suspended game.

- (c) A suspended game is defined as one that is re-scheduled to be continued in play from the exact point of suspension of the original game. A game called by the umpire that is not a regulation game, will be resumed at the exact spot where it was stopped.

D. LEAGUE CHAMPIONS

- 1. Local league champions shall be determined by the method adopted by the local affiliate officials and the eligible teams will advance to tournament play.
- 2. The method used may vary according to local situations. The method used should be determined before the local league season begins.
- 3. Each League with 4 to 7 teams must send first and second place teams (or replacement or alternate teams). Each League with 3 teams (**must have area State Director approval**) must send the first place team (or replacement or alternate team). These teams are required to participate in its assigned tournament. Penalty for non-participation can be up to a one-year suspension from TTA for that particular league and/or manager. The affiliate will also receive a non-participation fine.

E. SELECTION OF PLAYERS

- 1. The selection of players for teams will be accomplished in compliance with a Player Selections System as adopted by local affiliate officials.
- 2. No team will be allowed to protect more than a maximum of 3 players. Players are protected as long as they remain on a roster in that age division unless the player returns to the draft. Then the player will lose their protected status. Returning players, that were not protected, are not considered protected players. Protected players must be named each year on a team's official Team Roster. No player can be considered a returning player when moving from one age division to another.
- 3. If the head coach has a son/s or daughter/s playing on the team, it is mandatory that such players must be included as protected players. The head coaches must be determined prior to player draft.
- 4. It is the responsibility of each affiliate to govern their leagues to prevent the stacking of teams. Any and all teams that are stacked, will not be allowed to participate in tournament play.

5. Any coach who violates the player selection system in any way, shall be suspended from participation in TTAB/TTAS for any period of time, not to exceed three (3) years. Likewise, the affiliate/league with whom the coach is associated with, shall be subject to the same penalty.

F. PLAYER AGREEMENTS

1. All players and their parents (or guardians) shall be required to sign a player agreement prior to participating in any TTA activity, agreeing to abide by all TTA rules and regulations and, in addition, all local affiliate rules and regulations. The player agreement must include a statement releasing the local league affiliate and its officers, all sponsors, and the TTA State Organization from any and all liability associated with any injuries sustained as a result of any TTA activity.
2. Each player (parent or guardian) must provide the local league organization an official (copy thereof) "vital statistics" birth certificate, passport or official military dependent I.D. as documented proof of the correct date of birth. State issued identification cards, foreign birth certificates and/or government resident alien documentation is acceptable so long as proof of the correct date of birth is validated on such documentation.
3. Players thus signed will be considered the property of the team who signed them for the age eligible division.
4. Players participating in TTA will be eligible to play on only one TTA team in one league in one season. This excludes players on High School Eligible Boys and Girls Teams.
5. Players must participate in at least one half of the regular season games (unless for medical reasons), to be eligible for tournament play.
6. Players not registered on an Official Team Roster submitted to the State Office prior to the First Scheduled Team Game will be ineligible to participate in TTA tournaments. Proof of delivery of rosters will be considered in cases of failure of receipt at the State Office. It is highly recommended that each team ensure proper delivery by either printing a copy of the on-line rosters or by sending certified mail or emailing the State Office.
7. NO PLAYER TRADES WILL BE PERMITTED.

8. No additions to a team will be permitted after the first league game is played. Once a team roster is submitted to the State Office, if there are any additions to a team prior to the first league game, the player may be allowed with the State Director's authorization. There will be no exceptions to this regulation under any circumstance, including local league rules.

G. ILLEGAL PLAYERS AND PENALTY

1. Players may be declared illegal for the following reasons:
 - (a) Moved or traded.
 - (b) Misrepresentation of playing age.
 - (c) Participation on more than one TTAB/TTAS team during league play. (Exception: High School Boys and Girls Eligible Divisions, where approved).
 - (d) A maximum age player who is signed to a TTA team after eight other maximum age players are already signed.
 - (e) Not officially registered with a league to be a player.
 - (f) Players who reside or attend school in a defined affiliate boundary area and play outside that defined area when a TTA program is offered in his/her age division.
PENALTY: All games in which an illegal player participated will be forfeited.
2. It will be the responsibility of the Manager of each team to make sure that he/she does not sign or play an illegal player during the season or in tournament play. Penalty for this violation can be up to a two-year suspension of the Manager from participating in TTAB/TTAS activity.
3. In the event a Manager or Assistant Manager believes or knows of an opposing team playing an illegal player, he/she may make a protest. If the protest is allowed, the game will be declared forfeited to the offended team. Any game played in which both Managers have lodged an official protest, and both protests have been allowed, the game in question will be thrown out. The game will not be replayed, but will be recorded as a loss of one game for each of the teams in the final standings.
4. In the event local affiliate officials or State Directors discover an illegal player, manager, or team (according to TTAB/TTAS rules and regulations) all games in which player, manager or team participated, will be forfeited.

5. Any coach playing a player under an assumed name or with illegal documentation: player and coach will be removed from the game at the time the illegal player is identified.
PENALTY: Player will be removed from play. Coach will receive a five (5) year suspension from TTA and player will be suspended for two (2) years. All games in which an illegal player participated will be forfeited.
6. **IT WILL BE THE RESPONSIBILITY OF THE MANAGER TO ENSURE THAT THE TEAM ROSTER IS SUBMITTED TO THE STATE OFFICE CORRECTLY AND PRIOR TO THE FIRST SCHEDULED TEAM GAME.** If a data entry mistake is discovered on a team roster (examples: omission of a player, spelling errors or typing entry mistakes) the player may be eligible to play with approval of the State Director. **PENALTY:** The manager will be suspended for the first two tournament games.

H. PROTESTS AND DISPUTES

1. All protests and disputes arising during the regular season of league play shall be settled on a local level. The President of each affiliate shall name a Protest Committee for that purpose and the Committee's ruling shall be considered final.
2. A protest which may arise from interpretation of playing rules, will be made by notifying the Umpire-In-Chief and the manager of the opposing team, at the time of occurrence and before the next legal pitch, that the game is being played under protest; then submitting the protest in writing to the local affiliate President within twenty-four (24) hours after the game in question.
3. An Affiliate President who manages and/or coaches a team in TTAB/TTAS cannot serve or rule on a protest committee in his/her age division.

I. UMPIRES FOR LEAGUE PLAY

1. An official umpire is one that is approved and appointed by the Local Affiliate.
2. Local TTA organizations should select the most qualified umpires possible with at least one umpire for each league game and at least two for TTA tournament games. TTA encourages the use of Certified TTA Umpires for league play.
3. A State Director will not umpire or manage in any game.
4. Umpires will check all bats and required equipment prior to each game.

J. SCOREKEEPERS/STATISTICIAN

The Affiliate will furnish a competent scorekeeper/statistician for each game to record and keep an accurate record of: at bats, errors, extra base hits, strikeouts, walks, pitch count, bases on balls, and stolen bases. **The pitch count statistician is required to stop play immediately and notify the umpire when the Pitcher has reached his pitch count maximum.**

K. QUALIFYING LEAGUES FOR TOURNAMENT PLAY

1. In order for a team to be eligible to participate in Texas Teen-Age Tournament play, it is mandatory that the following qualifying steps be taken:
 - (a) Register and become a member of the State Association.
 - (b) Make payment in full of the annual registration fees of twenty five dollars (\$25) per team.
 - (c) Complete and submit Official Team Rosters to State Office prior to the first scheduled team game.
 - (d) Strictly abide by tournament rules as set forth in "Tournament Rules" section of this rulebook.
 - (e) Follow the general pattern of TTAB/TTAS and comply fully with the entire standard playing rules and regulations as established by TTAB/TTAS.
2. It will be the duty and responsibility of the State Association President to rule on the qualifications and eligibility of all active member leagues for tournament play. Any ruling or decision made by the State Association President will be considered final.

L. SCORING RULES

To achieve uniformity in keeping the records of league and championship games, the scorekeepers must conform to the Official Scoring Rules as carried in the NFHS rulebook and the USA Softball Official Guide.

M. MEDICAL INSURANCE

It is the obligation of each affiliate participating in TTAB/TTAS to maintain medical insurance on its players prior to the affiliate's first league game. Coverage should extend through tournament play for those qualifying. TTAB/TTAS is not responsible for any damages resulting from an injury occurring when insurance coverage is not in effect. Affiliates should present proof of insurance prior to their first league game by providing a copy of the declaration page to their area State Director. **PENALTY:** Forfeiture of every league or tournament game played without proper insurance coverage provided by the affiliate on the players.

N. TTA COPYRIGHT AND TRADEMARKS

All affiliates are required to obtain permission to use any TTA copyrighted trademarks: TTAB, TTAS, TTAB-TTAS, Texas Teen-Age Baseball, Texas Teen-Age Softball, Texas Teen-Age Baseball/Softball or either logo as shown below:

Permission is required for the use of these copyrighted trademarks for caps, visor, t-shirts, programs or any other materials.

O. GUIDELINES FOR LIGHTNING

1. All Associations are required to have a working lightning detector at District and State Tournaments.
2. When thunder is heard or lightning is seen, the leading edge of the thunderstorm is close enough to strike your location with lightning. Suspend play for at least 30 minutes and vacate the outdoor activity to the previously designated safer location immediately.
3. 30 minute rule. Once play has been suspended, wait at least 30 minutes after the last thunder is heard or lightning is witnessed prior to resuming play.
4. Any subsequent thunder or lightning after the beginning of the 30-minute count will reset the clock and another 30-minute count should begin.

5. When lightning-detection devices or mobile phone apps are available, this technology could be used to assist in making a decision to suspend play if a lightning strike is noted to be within 10 miles of the event location. However, you should never depend on the reliability of these devices and, thus, hearing thunder or seeing lightning should always take precedence over information from a mobile app or lightning-detection device.

Just a Little Boy

*He stands at the plate with heart pounding fast,
The bases are loaded, The die has been cast.
Mom and Dad can not help him, He stands all alone
A hit at this moment would send the team home.
The ball meets the plate, He swings and misses.
There's a groan from the crowd,
With some boos and some hisses.
A thoughtless voice cries, "Strike out the bum"
Tears fill his eyes; the game is no longer FUN.*

*So open your heart and give him a break,
For it's in moments like this, a man you can make.
Keep this in mind when you hear someone forget:*

*HE'S JUST A LITTLE BOY,
HE IS NOT A MAN YET*

Just a Little Girl

*She stands at the plate with heart pounding fast,
The bases are loaded, the die has been cast.
Mom and Dad can not help her. She stands all alone
A hit at this moment would send the team home.*

*The ball meets the plate, She swings and misses.
There's a groan from the crowd,
With some boos and some hisses.
A thoughtless voice cries, "Strike out the bum"
Tears fill her eyes. The game is no longer FUN.*

*So open your heart and give her a break,
For it's in moments like this, A woman you can make.
Keep this in mind when you hear someone forget:*

*SHE'S JUST A LITTLE GIRL,
SHE IS NOT A WOMAN YET*
