Memo Code of Ethics

Each coach is instructed to make all players and parents aware and knowledgeable of the entire Code of Ethics. All portions of spectator code of ethics and SAY rulebook are still applicable, this is a clarification of how it will be applied.

At the discretion and direction of the Referee, **Spectators** may be ejected (no cards) from the field or area for any of the following offenses:

- Entering the field without permission from the referee (including during an injury)
- Showing dissent by words or actions with any decision of the referee, foul or abusive language or unacceptable conduct towards the referees, players, coaches or other spectators.
- Coaching from spectator's side of field, or instructing players to play in a dangerous or unsportsmanlike – like manner.

Spectators are not allowed on the field “before, during, and after the game” without permission from the referee.

Thanks,

Five Points Board
