

Dear Sponsor,

Baseball season is HERE! Lakeside National Little League would like to THANK YOU for your support in the past years and would like to once again ask for your support for our 2026 season. Sponsorship is a crucial part of our organization. The funds raised from sponsorships help us cover the costs of uniforms, equipment, umpire equipment and education, field maintenance and various other costs associated with our quality program.

Roughly 300 boys and girls ages four through twelve are registered for the 2026 Lakeside National season. We are planning for a successful 2026 Little League season and we hope you will be able to help us. Our league is dedicated to building character through the values of teamwork, good sportsmanship, and fair play. Our goal is to provide the youth with a fun, safe and competitive baseball program.

Our fields have year-round multi-functional use. We host many events which allow your advertisement dollar to reach many throughout San Diego County. This is a great way to target your sponsorship/advertising as well as helping a leading non-profit organization. Please see the attached form with all sponsorship options. 25% of money raised by your team will go to your total money spent at Cake and Cap day. Our most popular Lakeside National sponsorship packages are:
