PHILOSOPHY

The Cuyahoga Falls Amateur Baseball Association is a tax exempt – nonprofit organization operating a youth baseball program under the auspices of the Cuyahoga Falls Parks and Recreation Department.

The goals of this program are to improve upon the mental and physical health of its participants, enhance intellectual and character development, and encourage socially acceptable behavior, all while pursuing the game of baseball.

The objectives of the program are to instill in the players good sportsmanship, honesty, courage, and responsibility as well as learn the game of baseball. These objectives are most effectively met by providing the best possible leadership available to serve as board members, administrators, managers, and coaches.

While striving to win in any competitive endeavor is an admirable and expected trait, the Cuyahoga Falls Amateur Baseball Association will not tolerate any conduct by players, coaches, managers, or parents that is considered inconsistent or detrimental to the overall philosophy of the program. The pursuit of the winning of games will be considered a secondary goal, while the development of strong character and the provision for wholesome play and recreation is the primary purpose.
