

AYL

The Alton Youth League is a non-profit organization that manages and organizes youth baseball and softball in the town of Alton.

Each year, more than 100 boys and girls sign up to play ball, and none are turned away, even if a family cannot afford the registration fee.

Alton Youth League is entirely volunteer-based, and is served by members of the Alton community.

MISSION

To provide an organized team environment in which our players can engage in responsibility, self-discipline, and accountability.

To provide a positive, nurturing and safe environment in which our players can learn an appreciation for sportsmanship, teamwork, self-esteem, pride, and integrity.

To instill in the youth of Alton that the winning of games is secondary to the development of teamwork and positive sportsmanship.
