

The Blue Diamond Way

- Please don't question the ump or yell inappropriate gestures to any players, coaches, fans, or umpires
- Communication is key. The **Gamechanger** app will be our main point on communication. Please make sure you RSVP to all games/practices. We will not assume your daughter is going to a game unless this action is taken.
- Punctuation Games and practices. Please make sure someone is at the event to pick your child up when the event ends. *"Early is on time, on time is late."* – JS.
- Let the coaches do their job and teach the girls. Please reframe from trying to critique girls during the game.
- We all get excited over our girls but always keep in mind these are just recreational games and nobody is getting paid.
- No leaving the bench area during games. Unless coach gives permission.
- Parents, please reframe from the bench areas. We do not want our girls getting sidetracked by outside noise. They should be focused on the game.
- Only Gatorade, water, or sport drinks allowed on bench **NO SODA**
- No sweatshirts allowed over uniform. Please wear long sleeve or sweatshirts under your jersey
- Batting gloves strongly recommended.
- Try to have the girls get to the bathroom before the game. Some fields do not have restrooms. If players must use bathrooms during the game, they will be escorted by a coach or parent.
- Cancelled Events – All cancellations will be done through Gamechanger. Everyone will get a notification once an event is canceled. **PLEASE DO NOT ASK IF A GAME OR PRACTICE IS CANCELLED.**

Thank you,
Charlestown Girls Softball Board
