

NPSC – Spectator Guide

March 7, 2021

Thank you so much for being a part of our Spring 2020 season, we know returning to play is important for all of our kids and we want to make it as safe as possible. To that end, our policies around attending games has changed a bit and there will be some new responsibilities for our spectators. This document will hopefully serve to simplify those responsibilities so we can quickly get the kids on the field.

General Considerations:

Some guidelines to remember:

- Spectators need to maintain 6 feet of distance between families whenever possible
- Spectators should sit 10 feet back from the playing field whenever possible
- Masks should be worn at all times, players may remove their masks while playing
- Arrive on time for each game and leave promptly when the game is over to avoid crowding parking areas and entrances
- Stay home if you are experiencing any COVID-19 symptoms or have been in close contact with someone who has been diagnosed with COVID-19
- **See detailed protocols on the NPSC COVID- 19 HUB [HERE](#).**
