At the conclusion of the baseball season, uniforms will be collected (players keep their hats and socks in all levels, players in 9-10U and 11-12U will also keep their jerseys). If you cannot attend, please schedule a time to meet me or your respective coach to turn in uniforms.

**Pictures:** We will have individual and team pictures; the time and date is to be determined and shared as soon as possible.

**Concession Stand Volunteer:** The concession stand is our largest fundraiser for the club. Again this year we will be utilizing SignUpGenius for our concession stand volunteers. SignupGenius allows you to pick your date(s) online and a reminder will be emailed to you a few days before the event. This program is fast and easy to use. We will be sending out a link to SignUpGenius once we have our game schedule complete.

We require each player's parent(s) to register for at least one spot during the season. If you would like to watch your son/daughter play and not work during their game, sign up for another slot and/or even a night when a different league is playing. We typically have around 40 games to schedule, so this is extremely important. Volunteers in the concession stand must be a minimum of 16 year or above.

*Please note other clubs ask for a volunteer deposit, which would be refunded at the end of the baseball program, if volunteer hours were met. The Coleman Little League would like to avoid this policy. If a volunteer is not signed up by the due date, you will be entered into the first available spot that is open and required to work or find a replacement for that given day. We rely on your support to keep the program funded, thank you for volunteering!!!*

**Communication:** Coaches will be communicating via email and/or text. Mass emails will still come from me through Sportsconnect. Again, feel free to contact me at number below or [meyerplucas@yahoo.com](mailto:meyerplucas@yahoo.com)

**Thoughts and Suggestions:**

We look forward to your thoughts and suggestions for a fun and successful baseball season. If you run into any issue, need a question answered or just simply need to reach me, please do!! I won't know what we need to change if I'm not aware.
