

## 2020 GPYFA Volunteer Info

### Volunteer Hours:

We are a Non-profit organization and everything we do from our Board Members who volunteer countless hours down to the chain gang on game day to our Concessions Manager who spends an insurmountable time putting together our Concessions program, we're all volunteers. If we can all spare an hour or two... or three throughout the season that will go a long way to help improve our program and help the others who spend so much time and effort to put our program together. Below are some of the changes you will see.

- We have reduced the cost of opting out of your Volunteer hours from \$150 to \$100 per child
- Each parent is required to provide 4 volunteer hours per child
- During the registration process you will have the option of either opting out for \$100 or signing up for one of the Volunteer categories below
  - Coaching – We are always looking for good coaches and parents who want to be a bigger part of the program and their child's development.
    - This requires additional training (USA Football Certification & CPR/ First Aid) as well as a Background check and Interview process
    - We currently have an opening's for Head Coaches on both our Bantam & Senior teams
  - Team Manager – This is for individuals who would like to be a bigger part of the team but don't want to have the commitment of coaching or having to be there on a daily basis.
    - Some examples are Team Mom, Team Equipment Manager, Chain Gang, photographer, Videographer... etc.

Concessions/General – Help and assist our Concessions team on game day's setting up breaking down and manning the Concessions stand. Also, if you're not sure where you want to help but are willing to volunteer. This could be from helping at Gear Checkout/check in to helping coordinate the Photographer for team Pictures to helping in one of the categories above.
