Make-up games

Make-up games are held on Sundays. The schedule follows the column times for the kick-off Sunday. Your coach will be in touch when a make-up game is scheduled. October 19th and October 20th are also reserved for make up games.

Uniform Requirements

Your registration fee includes the cost for a jersey, shorts, and socks.

Other uniform requirements that parents are responsible for:

- i. Sneakers or cleats must be worn.
- ii. Shin guards are a requirement for both practice and games. You are not permitted to play without shin guards.
- iii. Jewelry, hard headbands, and hair clips are not permitted.

Parking

- i. Parking during the first few weeks of the season can be tricky. Please park between the lines and bring your family in one car when possible.
- ii. Do not park where there are cones blocking off the pavilions. These pavilions are rented during August and September and we must leave the parking available for the renters.
- iii. If your player is playing U6, U7 or U8, your best place to park is along the back of the park. Make the immediate right when entering the park and proceed to the parking lot in the back.

VI. Concession Stand

- i. The concession stand is open during all regularly scheduled games. Please stop by for some snacks and drinks.
- ii. We are in constant need of volunteers for the concession stand. If you are not coaching or refereeing, please donate an hour or two of your time during the season to help keep your cost down.
- iii. Please contact Traci Wanyo at 814-931-4123

VII. Volunteers

- i. In addition to volunteering in the concession stand, we are in constant need for other volunteers as well.
- ii. Please consider becoming an adult referee, or if you have a previous or current player over the age of 13 who is interested in refereeing, please contact Kevin O'Brien at 814-418-0017.
- iii. If you are able to help out with becoming a coach or assistant coach, please contact Nick Wanyo at n.wanyo04@gmail.com.
- iv. There is also always a need for parents to help with field maintenance. If you are able to help please contact Nick Damin at 814-242-8765.
