## **VERNON YOUTH SOCCER ASSOCIATION PHILOSOPHY**

*Our purpose is to provide the youth of Vernon with a positive athletic experience while learning, playing and enjoying the game of soccer.*

*This purpose is achieved by providing an atmosphere of learning which includes the fundamentals and rules of the game, improvement of personal skills and promotion of team awareness and cooperation. The development of a competitive spirit within the confines of good sportsmanship, fair play and mutual respect is strongly emphasized.*

### **DATES TO REMEMBER**

*2002 SEASON - September 7 through October 26*

*EQUIPMENT RETURNS - October 26*

*2002 SOCCER CAMP - August 19-23*

*FIRST MONDAY OF EVERY MONTH at 7:30 at Center 375*

*The VYSA BOARD meets the first Monday of the month. Parents are always welcome to participate. We need new volunteers to serve on the Board in order to insure VYSA survival for years to come.*

### **ACKNOWLEDGMENTS**

## VYSA 2002 Soccer Referees

*There are seventeen laws of soccer, which are written and annually updated by the Board of FIFA, Federation International Football Association. These laws or rules detail everything about soccer from the size of the ball (Law 2) to the fouls and misconduct (Law 12). Referees worldwide used these laws to insure safe and fair play for international games, college games, and the World Cup. The referees listed below will use these laws for the Vernon games. They have each received 20+ hours of classroom and field instruction and have been certified by the United States Soccer Federation .*

\*ALL GAMES WILL START ONE HOUR LATE ON OPENING DAY

## **BASIC RULES OF PLAY**

### **START OF PLAY**

*A kick-off starts play at the beginning of each half or quarter and after a goal.*

### **BALL IN AND OUT OF PLAY**

*The ball is out of play only when it has crossed the goal line or touchline (sideline) in its entirety, whether on the ground or in the air.*

### **SCORING**

*A goal is scored when the entire ball crosses the goal line between the goal posts and under the cross bar.*

### **OFFSIDE RULES**

*There is no offside ruling in the 8-9 age division.*

- A. A player is offside if he is nearer the opposing team's goal line than the ball at the moment the ball is played unless:*
- the player is on his own half of the field*
  - two opposing players, including the goalkeeper, are nearer their goal line than he is*
  - the ball is last touched by an opponent*
  - the player receives the ball directly from a goal kick, corner kick, throw-in or drop ball*
- B. A player in an offside position is not offside unless, in the opinion of the referee, he has gained advantage by being in an offside position or influences the defensive play.*
- C. When an offside infraction is called, the defending team is awarded an indirect free kick from the place where the offside occurred.*

### **FOULS AND MISCONDUCT**

- A. Fouls and misconduct are penalized by awarding free kicks to the opponent. The guilty player may also be cautioned or ejected even if the free kick is not awarded due to the application of advantage. Ejection does not occur in the 8-9 age division.*
- B. Direct free kicks are awarded only for intentional:*
- kicking or attempting to kick*
  - tripping*
  - jumping at*
  - holding*
  - pushing*
  - charging violently from front or behind*
  - striking or attempting to strike*
  - handling the ball in the penalty area, except the goalkeeper*
- These fouls result in an indirect free kick in the 8-9 age division.*

#### THROW-IN

- A. A throw-in is awarded if the ball passes completely over the touchline (sideline), either on the ground or in the air.
- B. The thrower must face the field and part of each foot must be on the ground, either on the touchline or outside the playing field.
- C. The ball must be thrown with both hands and must be delivered from behind and over the head. If the throw is improper, the opposing team takes possession of the throw-in.

#### GOAL KICK

- A. A goal kick is awarded to the defending team if the ball passes completely over its' goal line, outside the goal, after having last been touched by a player on the opposing team.
- B. All opposing players must be outside the penalty area and the ball must travel outside the penalty area before being in play.

#### CORNER KICK

- A. A corner kick is awarded to the attacking team if the ball passes completely over the defending team's goal line, outside the goal, after having last been touched by a player on the defending team.

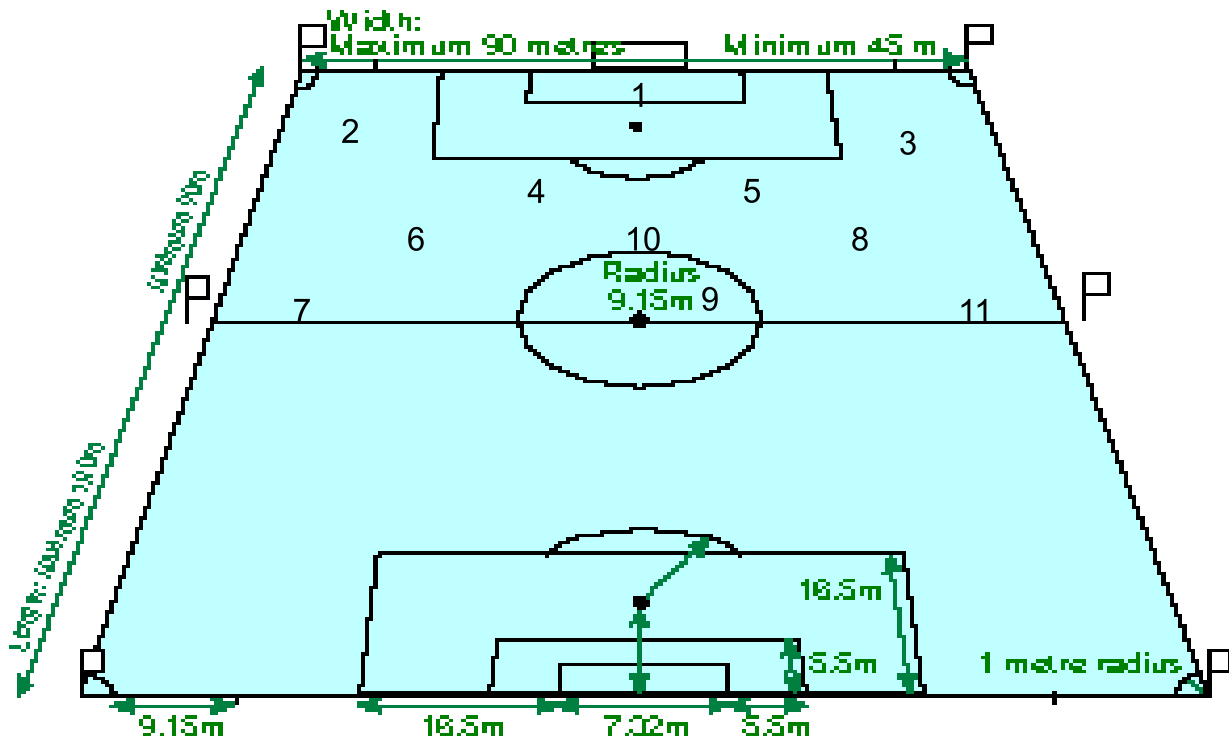

#### OFFICIATING

- A. The game of soccer is controlled by officials who are responsible for interpreting and applying the playing rules. Unlike most American games, soccer is controlled by only one official, the referee.
- B. The referee is assisted by two linesmen in a diagonal system of control. The linesmen use flags to indicate infractions to the referee. Only the referee has a whistle and the authority to stop the game for a foul. In some youth games the referee has to work alone.
- C. In soccer, the referee calls only those fouls which are a disadvantage to the team fouled against. The idea of this policy is to avoid unnecessary stops in the game and to prevent a defending team from gaining an advantage by fouling and thus stopping a dangerous attacking play.
