

Friends of False River Park, Inc. is a 501(c)(3) non-profit corporation that was established in early 2019 for the sole purpose of performing capital improvements at False River Park. Since inception, we have received over \$200,000 in sponsorship revenue through our Cooperative Endeavor Agreement with Pointe Coupee Parish Government. None of this would have been possible without generous supporters like you. In the past two years, we have been able to fix all damaged fencing, install new backstops, pour concrete walkways throughout the park, and construct shade covers on all five fields. In the spring/summer of 2021, we plan to relocate the parking lot and main entrance to the park as part of our master plan. We are hopeful and excited that we will acquire the funding to replace our concession stand and bathrooms within the next year or so.

Recently, the Board of Directors for Friends of False River Park met to discuss revising our sponsorship packages to fit our master plan of advertising throughout the park. Please see all of our sponsorship options and availability on the following page. If you have any questions, you may contact John Disotell at 225-413-2811 or Paul Armand at 225-638-3870.
