Twin County Soccer Association has adopted the following guidelines regarding the permitted production of teamwear, otherwise known as ‘spirit wear’, ‘fanwear’, or ‘fan gear’, to include practice/training jerseys, alternate jerseys, T-shirts, jackets or any other merchandise related to the individual team or the Twin County Soccer Association. This does not pertain to the approved club ‘kit’ or uniform package available through our appointed supplier. Uniform policy is outlined under separate policy titled “Uniform – Official Club Kit”.

1. Teams are free to source a vendor on their own, choosing the most advantageous source for their needs regarding cost and order processing.
2. Teams are not allowed to purchase alternates to anything available from our uniform supplier, under the chosen brand of uniform that we currently have approved (as of this writing – Under Armor).
3. All logo designs and garment/object choices must have executive board approval prior to ordering with the team’s chosen vendor.
4. All designs must include the currently approved Twin County Soccer Association crest/logo design featured prominently in the design. The logo/crest should never appear smaller than the team design.
5. Color choices for garments are limited to Navy Blue (not royal or sky blue), Flag Red (not scarlet or burgundy) or White (not off-white), Black or Grey.
6. Sponsor logos may be added to the rear of the garment, never the front.
7. Items can only be personalized with the player’s number (optional) only; **no player names allowed.**
