5 Intimidation of umpires will **NOT** be tolerated. Do **NOT** call out plays before they are finished or yell **SAFE** or **OUT** (or use over exaggerated hand signals) prior to the umpires call. **Zero tolerance policy for coach aggression.**

6 Both teams are responsible for preparing the field prior to games (raking/lining). Each team to provide 1 new game softball to umpire prior to start of game. ## GAME PLAY

1. All rules must be in compliance with the 2014 Little League charter Softball Majors Divisions rulebook unless “local rules“ are in effect as stated below; each coach will be given a copy of the LL rulebook, local rules, as well as the umpires

2. Six inning game.

- 3. This year there should not be any games scheduled after the weeknight games. If there is no game scheduled directly after, There will be no new inning starting after 1:45 after first pitch. The umpire will declare the last inning as the 1:45 mark approaches. In the last declared inning, there is no run limit (unlimited runs). If the last declared inning goes quickly before the 1:45 mark the game still ends.  
\*\*Umpires, please use caution on declaring last inning\*\*\*

4. On game nights/days (Saturdays or Makeups) in which there is a game scheduled directly after (2 hours from our start time), there will be a 1 hour 45 minute Drop Dead time. At 1 hour 45 minutes from the start time, the game will end. Score will revert to the last complete inning. If there is a batter up at the plate, at 1 hour and 45 minutes, that batter will complete their at bat and the game will end.

5. All players present must be in a continuous batting order.

6. Defensive substitutions may take place at will. A player may enter/re-enter at any time. All players will bat in a continuous, rotating order. Late players shall be inserted at the end of the order (at time they arrive). If a player leaves the game prior to a scheduled at bat and is unable to continue the game, proceed to next batter in lineup.

7. 5 runs per inning maximum (with exception of last inning, unlimited RUNS declared).

8. A game is considered complete & official if after 4 innings (3½ if home team is leading), for reasons of poor weather conditions, or mercy rule.

9. Mercy Rule: If a team is leading by 10 or more runs by the completion of 4 full innings (3½ if home team is ahead), the game is considered complete & official

10. Each team must have a minimum of eight (8) players to start an official game.

11. Pitchers must pitch from the 40 foot mound, no exceptions (safety concern). **Both feet must be touching the rubber** to start pitch and pitchers **must always** keep pivot foot in contact with rubber.
12. Coaches and Managers may choose to warm up pitchers between innings.
13. Once the ball is put in play it is live, and play does not officially stop until the ball is in control of the defensive team in the pitcher's circle.
  - a. A ball should be considered a dead ball upon ball "4" with the runner walking to first base. Runner cannot advance to second and/or third upon walking.
14. No leading off bases once a pitcher is on rubber.
15. Runners may NOT advance home on passed balls or steals or overthrows to pitcher from the catcher on pitched balls. (A runner on third must be hit in or walked in)
16. The runner may not leave the base until the ball reaches the batter
17. Batters cannot advance to 1st base on a 3rd strike dropped by the catcher.
18. No head first slides other than BACK to a base. Any head first slides will result in an out being called by the umpire.
19. Runners must SLIDE or AVOID contact on any play being made to a base. Any contact between a runner & fielder as a result of a runner failing to slide, with the ball being thrown to the base in which the contact is made, will result with the umpire calling the runner out.
20. Please teach players to slide if there is any question to a play coming to the base they are running (including home plate, where incidental contact with a catcher can cause a run being taken away from the offensive team).
  - a. Please note, a player can only be called out for not sliding if he/she comes in contact with a defensive player, while the ball is in route or at the base which the runner is sliding. It is slide OR avoid....but it should be standard practice to continue to instruct the players to slide whenever a play is going to be close or questionable.
21. Little League pitching rules apply.
  - If a Player pitches more than 3 innings in a game, there is a mandatory 1-day of rest. (i.e. if a pitcher throws 1 pitch in the fourth inning of pitching, mandatory 1-day rest)
