

WBSA Parent Request for Player Advancement

Parents requesting that their child "play up" a division in WBSA are required to complete this form and return it to the board at waynesvillebaseballandsoftball@gmail.com

The Board will evaluate and decide upon each request in accordance with existing policy. WBSA will consider division change requests for the following reasons:

1. Your child has played in their current division for (1) year
2. The player's level of play would match with the desired division

All other reasons are reviewed on an individual basis and are only granted at the discretion of the WBSA Board

You must register and submit this completed division change request by February 7th to be eligible.

All requests are subject to registration results for BOTH the division your son/daughter would be moving to and moving from. When space is limited, any registered layer at the appropriate age level for the division will be given priority.
