

Family Discount Policy

During the 2019-2020 season, the Charlotte Independence Soccer Club ("CISC") will honor Family Discounts across four youth soccer organizations: CISC, Carolina Rapids Soccer Club ("Rapids"), Discoveries Soccer Club ("Discoveries") and Lake Norman Soccer Club ("Lake Norman"). The latter three are considered legacy organizations as indicated in the examples below.

This policy is designed to accommodate families with multiple national players within CISC and families with a national player(s) in CISC and an additional player(s) at one or more of the legacy organizations (competitive and/or recreation).

Policy Details:

- If multiple players are contained in one of the legacy organizations (all Rapids, all Discoveries or all Lake Norman), then the legacy club's Family Discount Policy will apply. Please refer directly to your legacy organization for the related policy and its application. If you have a player at two of the legacy organizations, the family discount policies will not apply.
- For the purpose of this policy, national players are defined as players in the following programs: Boys Development Academy, Boys ECNL, Boys NPL, Girls ECNL and Girls NPL. If you do not have one of these players, the CISC Family Discount Policy does not apply. Please refer to your legacy organization and its related Family Discount Policy.
- For the purpose of this policy, competitive players are considered players within the legacy organizations on non-recreational teams.
- Discount Amounts:
 - For every additional national player in the consolidated club, your family is eligible for a \$200 discount on player fees.
 - For every additional competitive player in the consolidated club, your family is eligible for a \$150 discount on player fees.
 - For every additional recreational player in the club, your family is eligible for a \$10 discount each season.

How to Request a Discount:

If you have players that overlap organizations including CISC, please send a request email to leslieg@independencesoccer.club. Please include players' names and teams on which they participate. Family Discount requests must be received within 30 days of registering within our organization to be eligible for the credit. The discount will be credited equally across the players' accounts on the last payment due.
