

Concession Stand Coverage Agreement 2021

Welcome to Clear Spring Little League. We understand that concession coverage is an additional task for each of us. However, in order for us to provide a place to obtain refreshments and raise funds we must ask you to help volunteer to staff our concession stand. Please keep in mind that each parent/guardian/representative is a volunteer and also an active member within CSLL. In an effort to effectively provide coverage for CSLL's concession stand, the following is understood and/or has been explained to me:

- A concession schedule will be distributed before the season begins. Concession times are based on home games and are scheduled evenly as possible. We plan on having your work shifts during your child's practices. However if a make up game is scheduled for this time and you are unable to volunteer in the concession stand at that time you will be responsible for finding coverage.
- For each registered player, one parent/guardian/representative is required to work in the concession stand two shifts per child. Both parents may sign up at the same time to fulfill this obligation or you may have someone work it for you.
- Parents/guardians are preferred workers. However, a substitute worker 13 years of age or older may work to fulfill the family's obligation. If your substitute worker is under the age of 18 it MUST be communicated with the team parent so that there is a total of 2 adults in the concessions at all times. If the worker is under the age of 18, they are not permitted back in the grill/fryer area nor will they be permitted to work the register. We will be glad to sign off on any student service learning hours. We ask that all teen helpers be professional and on good behavior. No horseplay is permitted and they will be asked to leave if this causes an issue.
- If you need to bring your child with you, it is permitted however they must stay in the side room and are not permitted inside the food prepping area. Please have them bring something to keep them occupied.
- If I DO NOT work the required time (nor attempt to reschedule with concessions staff or have a someone work my scheduled shift), I understand that my team parent, manager, or coach will be responsible to cover the shift.
