The Optimist Club of Cooper City celebrates 50 years of community service in February 2023!

Help build a CCO memory wall!

Our club started in February 1973 offering Tackle Football, Baseball, Soccer and Softball with the enrolment of just a few hundred children. The "CCO Board" were all involved in every sport, a true team of dedicated individuals. They all helped at registrations, putting the teams together, getting coaches, doing schedules, they did it all for all 4 sports, Wow.

Today, we estimated more than 1,000 annual volunteers from individual sport boards, to coaching to team mom's and dad's helping to organize and coordinate about 3,000 children participating in lots of different sports totaling more than 6,000 registrations each year.

Today's programs include Baseball, Basketball, Cheerleading, Flag Football, 5V5 Soccer, Rec Soccer, Sand Volleyball, Softball, Tackle Football, Travel Baseball, Travel Softball and Travel Soccer.

Some CCO milestones over the years include:

1987- Bill Lips fields opened

1994- CCO clubhouse was conceived- built all on donations of time and materials, with the first meeting in June 1997

1994- teaming up with our police department- a new referendum, "Cops and Kids", was passed and the police station was built and phase 1 of Sports Complex

1998- Phase 2 referendum passed, and the east side of Sports Complex was built in calendar year 2000

Our club will celebrate our 50th year of service with several different activities over calendar year 2023. We want to permanently mark this milestone with our families helping us to create a brick wall of CCO families. This wall will be the Optimist Clubhouse for everyone to see for years to come. Bricks can be current participants and families, former volunteers, current volunteers or previous participants/volunteers/families that have all helped make our volunteer program the envy of many.

Please help us mark this milestone with the purchase of a brick with your family name. Brick details are as follows:

bricks/tiles are 4" X 8"

print- up to 4 lines, 21 characters per line (includes space between words)

if a custom logo is included -18 character limit per line, must be a PDF, JPEG or PNG

\$75 per brick (payable to Optimist Club of Cooper City)

\$100 for a double

Please help us mark this great milestone, contact Pete at pspanther4@aol.com to coordinate your brick.

Thank you, your CCO board,

Optimist Club of Cooper City
