

# Carl Junction BYAA Sponsorship Packages

## BYAA Mission Statement

The Bulldog Youth Athletic Association is a non-profit recreational sports organization designed to meet the youth sports needs of area athletes. It is our mission to create an environment where all young athletes have an equal opportunity to participate and have a positive experience, teach skills necessary to make sports a lifelong activity, and where honoring the game is the norm for all those who participate.

In order to provide this opportunity for the youth of our community we come to you asking for your help. By becoming a sponsor of the BYAA, this allows for us to be able to maintain facilities, purchase necessary equipment, and provide jerseys for the players. We have listed some different packages that you are able to choose from. Thank you for your consideration in helping our youth programs.
