

Greetings! It is our honor and pleasure to announce our collaboration with the Thiensville - Mequon Little League this season. We enjoy the outdoor fields and games as much as you do and we envision being part of many winning seasons.

We would like to introduce ourselves. Smart Living offers an array of services:

- ✿ unrivaled provider of everyday wellness solutions available through our online store and now accessible to you.
- ✿ team / group leadership workshops through a sailing platform, to improve the performance and synergy of your group
- ✿ sailing instruction for families or individuals, from beginners learn a new skill to more advance folks looking to hone & improve skills

In partnering with T-M LL with our wellness store we have a unique privilege: when you become a new customer of our store and make a purchase, T-M LL will earn a continuing monthly commission for the league, similar to the well-known, but expired Amazon Smiles program. This means that you can improve your health and safety in your home while supporting your local Little League at the same time.

We would love for you to join us for one of our regularly scheduled Zoom presentations or a face-to-face meeting over a cup of coffee. We can discuss the program in further detail and showcase what our online store has to offer and then you can decide if it's a good fit for you and your family. There is a calendar and more details available on our website. So come on over and see how Smart Living can make a positive impact on your well-being and your community.

Best,

Brian Kendzor
