Dear Local Business Owner,

We here at Kingston Youth League would be honored to have your business be a part of our league's growth and development of the future of our community. Our organization is made up entirely of volunteers. As such, we run completely off of registration fees and donations to our organization from businesses like yours. We are a 501c organization, so your donation will be 100% tax deductible. Donations will go directly towards supporting the children of the Kingston Youth League through equipment purchases (balls, helmets, heart guards, face masks, catchers gear, etc.), facility maintenance, uniforms, trophies, and other items as needed to ensure our children have a fun and safe environment to practice and play.

We offer Baseball, Softball and Tee Ball for kids from 4 to 13 in our community. We have games or practices at our facilities from March through June nearly every single day. This means that we have hundreds of individuals at any time with eyes on our facilities. We play teams from surrounding areas and bring in many families from Ross, Pickaway, Pike and Hocking Counties to our location. We have broken our donations out into tier levels based on how far you hit the ball. Here are the breakouts of each of our Donation Tiers and what you will receive from us to show our gratitude for your donation.
