Dear Potential Sponsor,

It's nearly that time of year again, fresh cut grass and smiling kids outside having fun, that's right, Baseball Season! Rainier Little League wishes to thank you for considering a sponsorship of our baseball program. We are determined to give young kids the opportunity to learn the sport of baseball while instilling teamwork, leadership and responsibility at the same time. With this mission in mind, we are seeking the aid of local merchants. The Sponsorship Opportunities on the next page outline the numerous ways you can support your local youth baseball program.

As a league, our goal is to represent our sponsors in a winning fashion. We intend to do this in our school work, practices and community events, as well as on the playing field.

As future high school athletes in Rainier, we are proud to represent some of the best that the area has to offer and look forward to giving you the advertisement you deserve! As patrons of our business, we would like to represent you and bring increased brand awareness. We understand the impact associating with a winning organization can make.

Please make any donation checks payable to "**Rainier Little League**" and we will take care of the rest. Along with your charitable contribution, you will also have the appreciation and thanks from players, parents, coaches and fans with the knowledge that you have helped kids in your community. You have our promise of excellence and great sportsmanship wrapped in one as we strive to make our fields a better place for our kids to learn and play baseball.

Thank you for your consideration,

Rainier Little League
