

# **Othello Parks & Recreation**

## *Parent/Player Concussion and Sudden Cardiac Arrest Awareness Form*

Othello Parks & Recreation believes participation in athletics improves physical fitness, coordination, and self-discipline, and gives students valuable opportunities to learn important social and life skills.

With this in mind, it is important that we do as much as possible to create and maintain an enjoyable and safe environment. As a parent/guardian or student/athlete you play a vital role in helping keep participants stay safe while playing baseball or softball. Player and parental education regarding Concussions and Sudden Cardiac Arrest Awareness are crucial.

Your league will be providing you with online information to help keep you informed about these two areas of concern. If you do not have access to these online links, informational pamphlets will be provided to you at your request. Please make sure you read this information carefully and understand it. If you have questions regarding any of the information provided online or in the informational pamphlet, please contact your Parks & Recreation department.

To assure you understand this information, City of Othello Parks & Recreation will be requiring that you sign this form each year prior to participation in any activity. .

**I HAVE RECEIVED ONLINE INFORMATIONAL LINKS OR HARD-COPY PAMPHLETS REGARDING THE CONCUSSION LAWS AND THE SUDDEN CARDIAC ARREST AWARENESS PROGRAM. I HAVE READ AND UNDERSTOOD THE INFORMATION PRESENTED.**
