A. All games are played at the Bellville ISD administration fields. 518 S Mathews St. Bellville Tx 77418

Q. When are games played?

A. Games are played each Saturday beginning at 9 AM. We begin with the youngest age group, and end with the oldest age group.

Q. What are the age groupings?

A. Our age groups are based on the age the athlete will be at the end of this calendar year 12/31/2024. We do this because this is how the NFL Flag tournaments group player. The actual divisions will be determined by the amount of athletes we have or certain ages at the end of registration

Q. How are teams organized?

A. Our goal is to create teams of equal ability as much as possible. We have a Coaches meeting where a draft will be done. The coaches have a list of athletes with information about what school they attend and the city they reside in as well as if that athlete has a buddy request or coach request.. It is at the coaches discretion on what he is looking for in the information given to them.

Q. When and where are practices held?

A. Teams are limited to a maximum three hours of football activities per week. Activities are, but not limited to, practices, meetings, scrimmages, games and parties. Practice dates, times and locations are up to the Head Coaches discretion. Practices may be held at the BISD administration fields if that works best, but teams are not required to practice there.

Q. Can I coach my child's team?

A. Yes! A parent from each team will be required to coach the team. We are always looking for volunteer dads and moms to coach the kids. No experience is necessary. We provide you with all of the information you need to coach in this league. You need to have good organizational and communication skills and a loving attitude for the kids.

Q. Is this a competitive league?

A. Great question! The object of any game is to try to win. We encourage each player to do their best to help their team win the game. We feel that how you go about winning the game and what is learned in the process takes priority over the win itself, especially at the youth level. The goals of this league are as follows: Have fun, make new friends, get better every day and maybe win a game or two in the process. Winning the game is more fun than losing the game, but it's not a priority.

Q. How long will I be here each Saturday?

A. The game itself has two 20 minute halves with a 5 minute halftime which makes the game last about one hour each week. Teams are encouraged to arrive at least 30-45 minutes before game time and there is usually a short team meeting after the game so you can expect to be here about 90 minutes each game day.

Q. Who do I contact if I have other questions?

A. If you have questions that are not addressed here, Please contact us at austincountynflflag@gmail.com or call Dexter Cole at (281)638-6596
