

THANK YOU FOR SUPPORTING GILBERT SOFTBALL LITTLE LEAGUE!

GSSL is a non-profit 501(c)(3) organization that provides a positive environment for girls aged 4-16.

We are looking for sponsors to help continue the GSSL tradition of teaching girls the fundamental skills of softball: teamwork, physical well-being, and good sportsmanship in a fun environment. Your donation is tax-deductible and assists with operational expenses: lighting, umpires, team equipment, uniforms, and financial hardship scholarships. Your sponsorship not only benefits young female athletes, but also increases visibility for your business and your commitment to our community!
