TEAMWORK – DISCIPLINE – LEADERSHIP – PHYSICAL WELL-BEING

Dear Valued Community Member,

The events of the past two years have presented challenges at all levels of society. As we finally appear to be emerging from the chaos in schooling and social activities that have affected the children of our community, now, more than ever, our communities need organizations like ours – and we need you.

We cordially invite you to join the Bayville Locust Valley Little League (BLVLL) as a 2022 sponsor. Bayville Locust Valley Little League was founded over 40 years ago and serves the communities of Bayville, Locust Valley, Oyster Bay, Mill Neck, Brookville, and a number of other locales along Long Island's historic North Shore. Our goal is to promote the sports of baseball and softball and develop well-rounded players who will be better members of our society. Currently serving over 600 players and families in both baseball and softball, our organization is also deeply rooted in the community, with all of our coaches and board members participating as volunteers.

**We are committed to ensuring that every young boy and girl in our community has the ability to get outside, participate in physical exercise, and play ball with their friends every week as family members enjoy watching the league's games on our beautiful beachfront fields at Sgt. Paul Tuozzolo Memorial Park (West Harbor) in Bayville.**

We now offer reduced-price sponsorship options **which are, as always, tax deductible under our 501(c)(3) not-for-profit status** and extend throughout the calendar year. Your sponsorship, at whatever level you can contribute, will help fund our league and give our players all the tools necessary to succeed. For your convenience, you can sign up by using our online storefront or by completing the attached form.

We appreciate and thank you for your new and/or continued support. Youth sports will prevail.

Warmest Regards,

Jon Encarnacion

Christopher Thompson  
*Vice President*

David Mainenti
