- Questions regarding our league in SAY NORTH? Visit saysoccer.org
- What to bring to practice? ball, water bottle, shin guards
- Game schedule will be out in a couple of weeks with games beginning August 20th and finishing by October 22nd.
- Pictures? Yes! We have a new photographer this year and are super excited about bringing her into our organization. Pictures will be done the second part of August!
- When will practice/ games be called if the weather is questionable? I will send out a message as early as I can while still giving the fields time to be playable and taking into consideration that we live in Ohio with crazy weather. Please do not reach out asking if we are canceled. I will be sure to communicate it on multiple outlets.
- If you have a 6-7 practice window please be off the field at 7 so that the next practice can begin. We are tight on space and don't want any teams missing practice light.
- Please also check out the MOJO SPORTS app on your smart phone and download it. It is super cool and can be used to help facilitate practice plans and such. It is custom to what you plug in and will create a plan for that age division.
- If you need some guidance about practices, games, or have a concern please reach out. I ask for a **72 hour window** for response as I too am a volunteer with multiple kids in multiple sports. If you have an urgent matter please specify URGENT in the subject line of the email.

COMMON PARENT QUESTIONS :
