Reference: Coronavirus Disease 2019 (COVID-19) Update

Callaway Soccer Family,

Our organization has had several inquiries in reference to our plans for further impacts the Coronavirus may have on our soccer season. Callaway Soccer is in communication with city leaders and local/state health departments, as well as the CDC. As we previously stated, we have decided to follow the guidance of the CDC and the State of Florida. It is still not our intention, at this time, to cancel our regular Spring Soccer Season. However, we will be delaying our season for 30 days as suggested by County Officials.

A 30-day delay to the Spring Season will mean:

- No Team Practices until further notice
- No published game schedule until 04/15/20
- No Development Practice Sessions until further notice
- No Uniform, Bag or Magnet Dissemination until further notice
- No Coach or Referee Training Scheduled until further notice
- No Friendlies or Out of County Matches/Games
- Callaway Soccer Fields Closed at Dusk each day

Callaway Soccer is aware of the risks associated with COVID-19 and will keep the wellbeing of our players and their families a top priority. We understand that there are concerns and we appreciate everyone's support as we try to guide our League. As this is an ever changing situation, we will keep you updated as additional information becomes available.

Should you have any questions, please don't hesitate to reach out to us. Understand though, we have no additional information, other than what has already been provided. If your inquiries are of a medical nature, a COVID-19 Call Center has been established by the Florida Department of Health. You can contact them at [COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov) or (866) 779-6121.

Sincerely,

*Amber L. Musser*
