League eligibility and the age division a player is eligible for will be based on a January 1st cut-off with the exception of the U-4/5 divisions. A player can play up an age group with the parent’s permission, but usually will rarely play down. Exceptions may be granted on an individual basis but only under a unanimous decision made by the Soccer Board. A letter requesting this change must be received and approved prior to the player’s

participation in any practices or games. Copies of birth certificates are required for ALL players. Non-US citizens may submit a copy of a passport. No shot records or physicals will be required.

PLAYERS

Players must wear the **entire uniform** provided by the league. There will be no exceptions for shorts. Pants, jackets and long sleeve shirts may be worn due to weather conditions but must be worn underneath the issued uniform. Shin guards must be worn at all times and under socks. No jewelry such as earrings, bracelets or necklaces can be worn during the game. Exceptions will only be made for players who have recently had their ears pierced and are wearing stud earrings with protective backs. Hair accessories made of metal or hard plastic are not permitted. A player can wear tennis shoes for clinics or camps but cleats are required for games. No football style cleats with metal studs or screw-in studs will be permitted.

GAME RULES

All games will fall under IFAB laws, at the discretion of the referees with the following exceptions:

- NO SLIDE TACKLING
- Offside rulings will only apply to age divisions U-12 and above.
- Throw-ins will only be referee assisted in age divisions U-9 and below. After two attempts, at a proper throw-in, possession of the ball will defer to the opposing team. This rule is designed as a learning tool and will only be used at the discretion of the head referee.
- During U-4 thru U-9 games, if an injury occurs, the referee will pause the game causing players to take a knee. Once every player has stopped and taken a knee, the respective coaches may reposition or instruct players as needed. No delay of game will be allowed and the controlling team will ensure both teams are ready before play continues. Excessive delays will be grounds for game extension but only at the agreement of both teams (if fields are available).
- U-4 through U-7 games will NOT be played with goal keepers. All players must remain outside the box markings around their goal unless they are involved in play. If no field markings are available, a 4 foot perimeter should be observed.
- Coaches and Assistant Coaches should remain in their approved boxes beside their specific team benches. Coaches and Parents are not permitted to coach players from the touchlines or goalie area (U-4 through U-8 coaches are the exception and may remain on the field without interference. Only one coach from each team may be on the field, excluding the official). U-4 through U-8 coaches referee their own games. Each team selects a coach to officiate a half.

Keepers will be utilized in the U-8 and above age divisions under the following exceptions outside IFAB Laws:

- Goal keepers may kick the ball out of their hands, while in their own box, after making a save or catching the ball.
- Goal keepers can use over arm and underarm throws when distributing the ball.
- For U-8 Games, NO opposing players are allowed to enter the goal keeper's box; this will result in a free kick, determined where by the referee.
- If the ball goes out of play behind the goal by the attacking team, the goal keepers places the ball on the edge of his/her box and must take a grounded goal kick.
- A Goal keeper may use any part of their body when trying to prevent a goal.
- It is advised the goal keeper only keep the ball in their hands for 6 seconds after making a save, this helps continue the flow of the game, although the referee will be lenient please make sure your keeper does not waste time.

- A U-8 goal keeper may pick the ball up at anytime; there will be no pass back rule.
- It is recommended that all goal keepers wear protective goal keeping gloves but is not required.
- Parents are not allowed to sit behind the goal keepers or goal area.
- A goal keeper must wear a jersey or top that is different from his or the opposing team

- If a player receives 2 yellow cards in a game (which is equal to a red card), the offender will sit out the next game. These yellow cards will not count towards the total of 3 for the season.
- If a player receives 2 red cards in a season he/she may be suspended for the rest of the season including playoffs as determined by league committee.
- A player striking or assaulting a referee, player or spectator is automatically suspended for the balance of the season or longer and may result in criminal action.
- A player receiving a red card must immediately leave the field complex (parking lot). If they have not left within 15 minutes, the referee can forfeit the game against the offenders’ team.
- Appeals against a referee’s decision on a red or yellow card can be made only through your team representative and decided by an administrative staff.

- Callaway Soccer (a SAY and US Club Soccer affiliate) is the lead title of the league and their laws of basic moral conduct must be respected and may be punishable by referees and Board Member up to and including banishment.
- Any individuals damaging, intentionally altering or otherwise disrespecting any field equipment, fencing, benches, building or signs will be immediately banned from league play and may face criminal charges.

Regular season games that get rained out **may** be rescheduled provided there are appropriate scheduling dates available. Notification of any rescheduling will be made at least one-week prior to changes and will be made by your Division Coordinator.

The City of Callaway has the right to close fields in use and declare them unsafe at any time.
